

RecoveryFix for Outlook

Installation/ Un-installation

Install the Software

Before you install the RecoveryFix Outlook PST Repair software, make sure that the software installer file is available on your computer. If the software executable is not available on your computer, then download the file from <https://www.recoveryfix.com/pst-repair.html>

After you have downloaded the installer file, execute the following steps to install the software:

- Double-click the RecoveryFix Outlook PST Repair software installer file.
- Follow the on-screen instructions.
- When the installation process completes “Completing the RecoveryFix Outlook PST Repair Setup Wizard” message appears on the software installation screen.
- Click the **Finish** button to complete the software installation and launch the software.

Uninstall the Software

You can uninstall the RecoveryFix Outlook PST Repair software from your computer system by using one of the following two methods:

- ✓ **Uninstall from Windows Start Menu**
- ✓ **Uninstall from Control Panel**

Note: Before starting the un-installation process, make sure that the RecoveryFix Outlook PST Repair software is not in use.

Uninstall from the Windows Start menu

Execute the following steps to uninstall RecoveryFix Outlook PST Repair tool from Windows Start menu:

- Click Start > All Programs > RecoveryFix Outlook PST Repair > Uninstall RecoveryFix Outlook PST Repair.
- A warning message before un-installing the software will be displayed on the screen.
- Click **Yes** to uninstall the software.
- Click the **OK** button.

RecoveryFix Outlook PST Repair software is successfully uninstalled from your computer system.

Uninstall from Control Panel

Execute the following steps to uninstall RecoveryFix Outlook PST Repair software from Control Panel:

- Click Start > Control Panel. The Control Panel window appears.
- Double-click the Add or Remove Programs icon. A list of the programs installed on your computer appears.
- Select RecoveryFix Outlook PST Repair and click the Remove button. A warning message before uninstalling the software will be displayed on the screen.
- Click **Yes** to un-install the software.
- Click the **OK** button.

RecoveryFix Outlook PST Repair is successfully uninstalled from your computer system.
