

RecoveryFix for OST to PST

Installation/ Un-installation

Install the Software

Before you install the RecoveryFix OST to PST software, make sure that the software installer file is available on your computer. If the software executable is not available on your computer, then download the file from <https://www.recoveryfix.com/convert-ost-to-pst.html>

After you have downloaded the installer file, execute the following steps to install the software:

- Double-click the RecoveryFix OST to PST software installer file.
- Follow the on-screen instructions.
- When the installation process completes “Completing the RecoveryFix OST to PST Setup Wizard” message appears on the software installation screen.
- Click the **Finish** button to complete the software installation and launch the software.

Uninstall the Software

You can uninstall the RecoveryFix OST to PST software from your computer system by using one of the following two methods:

- ✓ **Uninstall from Windows Start Menu**
- ✓ **Uninstall from Control Panel**

Note: Before starting the un-installation process, make sure that the RecoveryFix OST to PST software is not in use.

Uninstall from the Windows Start menu

Execute the following steps to uninstall RecoveryFix OST to PST tool from Windows Start menu:

- Click Start > All Programs > RecoveryFix OST to PST > Uninstall RecoveryFix OST to PST.
- A warning message before un-installing the software will be displayed on the screen.
- Click **Yes** to uninstall the software.
- Click the **OK** button.

RecoveryFix OST to PST software is successfully uninstalled from your computer system.

Uninstall from Control Panel

Execute the following steps to uninstall RecoveryFix OST to PST software from Control Panel:

- Click Start > Control Panel. The Control Panel window appears.
- Double-click the Add or Remove Programs icon. A list of the programs installed on your computer appears.
- Select RecoveryFix OST to PST and click the Remove button. A warning message before uninstalling the software will be displayed on the screen.
- Click **Yes** to un-install the software.
- Click the **OK** button.

RecoveryFix OST to PST Converter is successfully uninstalled from your computer system.
